Narrative					
POFC J. Jeffry #6503 10/29/2024 1900 hours					
On 10/29/2024, I, POFC J. Jeffry #6503 responded to 1733 Edgewood Rd for a call in reference to a first degree assault.					
Upon arrival, this Officer was met by Suspect Jacqueline Conway (DOB: 06/08/1964), who advised that she wanted to report a lewdness incident.

Incident

Suspect Conway reported that she was at the aforementioned location to deliver a DoorDash order. She noted that when the homeowner, Victim Keyon Kendall Agnew (DOB: 07/19/2003), answered the door, he was naked. It should be noted that she specifically stated that she could see Victim Agnew's "penis" and "balls" hanging out from underneath the oversized T-shirt he was wearing. Suspect Conway noted that several words were exchanged with Victim Agnew, who appeared apologetic.

Suspect Conway then reported that she returned to her vehicle and dialed emergency services to file a police report. Suspect Conway further noted that while she waited for police to arrive on scene, she moved her vehicle across the street from Victim Agnew's residence.

While sitting in her vehicle, Suspect Conway confirmed that she received numerous text messages from Victim Agnew regarding her vehicle parked outside his residence, which she did not respond to. She then reported that Victim Agnew exited his residence and walked toward her vehicle. At this time, Suspect Conway stated that she then removed her black in color, Glock 27, .40 caliber handgun from her purse, held the gun at a low ready (pointed toward the passenger floorboard), and yelled out of the window, "get away from my car before I put a bullet in you." At this time, Victim Agnew put his hands in the air, slowly turned around, and walked swiftly back toward his residence.

It should be noted that Suspect Conway advised this Officer that she was a retired Captain from the Baltimore City Sheriff's Office and had her handgun permit, which she provided to this Officer. Suspect Conway further noted that because she delivers for DoorDash in a multitude of areas, she regularly carries her Glock 27, .40 caliber handgun inside her purse for protection. She reported that as Victim Agnew walked toward her vehicle, she grew fearful, thus retrieving her firearm from her purse for protection.

Following the initial interview, Suspect Conway allowed this Officer to remove her firearm from her purse and hold it until the call was completed.

This Officer then made contact with Victim Agnew, who affirmed Suspect Conway's initial statements. Victim Agnew noted that he came to the door to retrieve his DoorDash order from Suspect Conway but reported that he had boxers on underneath his oversized T-shirt. Victim Agnew stated that when he closed the door, he observed Suspect Conway sitting across the street in her vehicle from his bedroom window. Victim Agnew confirmed that he sent Suspect Conway several text messages, questioning why she was sitting in front of his residence.

Victim Agnew reported that Suspect Conway failed to respond to his questioning, so he exited his home and walked toward her vehicle. At this time, Victim Agnew reported that he yelled at Suspect Conway and questioned why she was still sitting in front of his residence. Victim Agnew noted that as he got closer to Suspect Conway's vehicle, he observed an object that resembled that of a Taser in Suspect Conway's left hand. However, through repeated questioning, Victim Agnew could not definitively confirm what the object was he observed in Suspect Conway's hand, only that it was black in color and had two circles on the end of that object that resembled the end of a taser cartridge. It should be noted that Victim Agnew reported that he knows what a Taser looks like. He also confirmed that when Suspect Conway stated, "Get away from my car before I put a bullet in you," he put both hands up in the air, turned around, and walked swiftly toward his residence.

Victim Agnew repeatedly stated that he never observed a firearm in Suspect Conway's hand or that she pointed a gun in his direction. He was adamant that he only noticed what looked to be a Taser in Suspect Conway's left hand. It should be noted that if Suspect Conway had maintained a low ready position, Victim Agnew would not have been able to report seeing a weapon in Suspect Conway's hand.

At this time, Victim Agnew dialed emergency services and requested to speak to Officers in reference to the incident.

Based on the statements provided by both Suspect Conway and Victim Agnew, Suspect Conway was placed under arrest and transported to Towson Precinct 06 for booking procedures.

Maryland Gun Center was contacted in reference.

The Glock 27, .40 caliber handgun was packaged per departmental policy.

No further information.

POFC J. Jeffry #6503 10/30/2024 1200 hours

This case report is being updated with additional information.

It is important to note that Suspect Conway was released from Towson Precinct 06 on 10/29/2024, as the Baltimore County Court Commissioner determined there was no probable cause for the charges against her. (Reference District Court criminal case

On 10/30/2024, this Officer made contact with Baltimore County Assistant State's Attorney, Samuel Dominick III from the Felony Division regarding this incident. Based on articulable facts of the incident, which highly suggested that the arrest of Ms. Conway was made prematurely and without a completed and thorough investigation of all possible facts, I requested that ASA Dominick III review the charges against her.

ASA Dominick III confirmed that all charges / the criminal case generated against Suspect Conway would be dismissed, as he agreed there was no intent of malicious criminal action(s) on her part during this incident that could constitute or require criminal prosecution against her, by the Baltimore County State's Attorney's Office.

Although the case report status should be updated to "unfounded", as there was no criminal actions taken by Ms. Conway; for NIBRS reporting purposes, the disposition will reflect as: "NIBRS - Exception".

Lt. Romanoff #4009 was notified.

Investigation to continue.
